

# Beautifully Crafted Prosthetic Makeup

Hi, I'm Jurine Erwee

With a widespread skillset in makeup artistry, I do everything from bodypainting all the way to glamour and high-fashion makeup. Specialising in makeup effects, I have worked on many productions and also supply prosthetics to the film industry, with a GIFA award under my belt.

## Services

### Beauty

High-fashion and glamour looks for photoshoots, matric dances, HD makeup for film and television, and many more beauty services are available to make your shoot or day special.

### FX

Custom-made prosthetics, bodypainting, lifecasting, practical effects, masks, theater makeup and SFX makeup looks are just some of the many things I can do in this category.

### Workshops

I can provide one-on-one classes, group classes as well as demos at conventions, parties, events, schools, and much more. Keep an eye out on my social media pages for dates on special workshops.
